	Specimen : 8501
HAV IgM report	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
HAV IgM kit 1	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading HAV IgM kit 1	<input type="text"/>
HAV IgM kit 2	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading HAV IgM kit 2	<input type="text"/>
.	
CMV IgM report	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
CMV IgM kit 1	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading CMV IgM kit 1	<input type="text"/>
CMV IgM kit 2	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading CMV IgM kit 2	<input type="text"/>
.	
Acute EBV antibodies report	<input checked="" type="radio"/> Not Examined <input type="radio"/> Acute EBV <input type="radio"/> Past EBV <input type="radio"/> Equivocal <input type="radio"/> Negative
EBV VCA IgM kit	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading EBV VCA IgM kit	<input type="text"/>
EBV VCA IgG kit	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading EBV VCA IgG kit	<input type="text"/>
EBV EBNA IgG kit	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading EBV EBNA IgG kit	<input type="text"/>
Heterophile Ab kit	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading Heterophile Ab kit	<input type="text"/>
EBV EA IgG kit	<input checked="" type="radio"/> Not Examined <input type="radio"/> Positive <input type="radio"/> Equivocal <input type="radio"/> Negative
Test reading EBV EA IgG Kit	<input type="text"/>
